Our Philosophy of Worship

Recognizing the diversity of personal preferences, taste and interest in the people who worship here at Church of the Foothills, we are committed to a "blended" approach in our service that includes traditional, classical, contemporary, gospel, folk, modern, and other types of music. We hope the richness of the worship experience will enhance the spiritual life and faith of all who participate. Please address any suggestions, questions or concerns to Pastor Mike, the Elders or the Worship Committee. Thank you for participating in our worship service today.

The Use of Inclusive Language

Our church believes the Holy or Divine Spirit can be experienced as both male and female gender. We use inclusive language such as God, Goddess, Creator, Christ, Logos or Sophia to express the universal nature of this Spirit. Sophia (Greek word for Wisdom) is used for Christ in the New Testament.
