**Prayer**

Young, growing God, eager and on the move,  
teach us the way of being a child again.

Tutor us in the art of saying "no" to falsehood  
and responding whole heartedly to the other.

Guide us with the playfulness of your Spirit  
that moves us to love fiercely and do justice gladly. Amen.

**Lord's Prayer** retranslation from the Aramaic

O Breathing Life, your Name shines everywhere! Release a  
space to plant your Presence here. Imagine your possibilities now.  
Embody your desire in every light and form.

Grow through us this moment's bread and wisdom. Untie the  
knots of failure binding us, as we release the strands we hold of  
others' faults.

Help us not forget our Source, yet free us from not being in  
the Present. From you arises every Vision, Power and Song from  
gathering to gathering. Amen. May our future actions grow from  
here!
