One: Give thanks! We awaken each day to the beauty of creation, and we participate in the life of our planet.

Many: *We give thanks to you, blessed, mysterious Life-giver, for one more day to experience the miracle of growth.*

One: With every breath we receive life as a gift. With every bite of healthy food, we know the wonder of the seasons: summer and winter, seedtime and harvest.

Many: *And we give thanks, for we are abundantly blessed.*

All: Creative Spirit, through you all things are daily being made new. Let it begin with me!

Lord's Prayer

**Eternal Spirit, Pain-bearer, Life-giver,
Father and Mother of us all.**

Loving God, in whom is heaven.

**The hallowing of your name echoes within
and beyond us!**

**May the way of your justice be followed
by the peoples of the earth!**

May your will be done by all created beings!

**May your way of peace and freedom
sustain our hope and come on earth.**

With the bread we need for today, feed us.

In the hurts we absorb from one another, forgive us.

In times of temptation and test, spare us.

From the grip of all that is evil, free us.

**For you reign in the glory of the power that is love,
now and forever. Amen**
