## Morning Prayers

Lord's Prayer (paraphrase)

Holy One, whose name is more than a name, whose reach is ever beyond our reach,
Show us your intentions for our present moment, in this time and in this place,
Even as we know your desire for our well-being is beyond all time and beyond all space.
Bless us with the peace that comes with knowing we have enough, and teach us to make "enough" the common experience of all we meet.

May we know forgiveness as a gift we receive, and also as a gift we bestow on others. And if we should forget ourselves or miss the mark, Give us the wisdom and courage to walk away from those fine messes we've got ourselves into.

> Because you are the destination toward which our journey leads us.
> You are the beginning of all we could ever hope to begin.
> You are the mystery that vibrates inside every particle of our universe, and we are eternally grateful. Amen.
