Centering Prayer *TOGETHER* Mary Jacobs

A song rises within us, Holy One. Let your spirit descend. Let it rest upon us like a gentle embrace encouraging us. Let it animate us like a glorious sunrise inspiring us. Let it propel us like a mighty wind pushing us toward justice. Let it calm us like a deep breath loving us into wholeness. A song rises within us, Holy One, let your spirit descend. In your many names, Amen.

Unison Lord's Prayer (reflections on Lord's Prayer by Nancy Brink)

Giver of light, source of life, You are all and in all, opening our hearts in praise. May Your way of peace with justice become our way in our hearts, in our homes, in our cities, in our nation, in our world. Even as we ask for bread we open our hands to share. Even as we seek forgiveness we bring Your spirit of reconciling grace to others. Open our eyes to rightly see deceptive paths and help us choose with wisdom and courage. Yours is the way, the creative energy and breathless beauty in this day and all our days. Amen.

Surely the presence of the Lord is in this place;
I can feel God's mighty power and God's grace.
I can hear the brush of angel wings; I see glory on each face.
Surely the presence of the Lord is in this place.
